PARENT CONSENT FORM FOR RELEASE OF SCHOOL RECORDS

Federal and State law forbid the release of Pupil Records without permission. NJ Administration Code 6:3-2.6 states, "Organizations, Agencies and Persons from outside the school (shall have access to pupil records) if they have written consent of parents or adult (age 18) pupils."

To assist David Brearley High School in complying with the Family Educational Rights and Privacy Act— FERPA, the parent(s) must consent to releasing student records for post-secondary school related purposes. In order for DBHS to release student records for colleges, universities, technical schools, apprentices, etc., the parent signature must appear below.

I, the undersigned, hereby give David Brearley High School permission to release the records of:

Student's Name (Please Print Clearly)

The law requires that schools receive written permission signed by the parent (for any student under the age of 18) or by the student (if the student is at least 18 years of age) before the school may release any transcripts or records to college and/or other post-secondary schools.

As parent/guardian of the above named student, I hereby authorize the Guidance Department of David Brearley High School to release his/her transcript file to the institutions and/or scholarship services designated by my son/daughter and to any college requesting information for athletic purposes.
